

Directions to 604 N. Thornton Ave.

Going **East on I-4**, take the Robinson Street Exit – Go East – (Right)
(old exit number 40, new number 83A)

- ?? Go East on Robinson, past Lake Eola, to Mills Avenue
- ?? Turn Left on Mills (North)
- ?? Go through 2 lights, you will pass Mount Vernon on your right
- ?? Turn left onto Concord Street (Post Office parking lot on opposite corner)
- ?? Take a right into the first driveway past Thornton Ave, to park in the lot behind the office at the corner of Thornton Ave and Concord Street
- ?? We are in a one-story, beige colored building (we share a lot and building with the Dentist next to us).

Going **West on I-4**, take the Colonial Drive (Hwy 50) exit
(old number 41, new number 84),

- ?? Go Straight across Colonial
- ?? This is Hughey Street that runs parallel to I-4
- ?? Take Hughey to Livingston Street, turn left (East) on Livingston.
- ?? Take Livingston all the way to Mills Ave.
- ?? Turn Left On Mills (North)
- ?? You will pass Mount Vernon, then
- ?? Turn left onto Concord Street (Post Office parking lot on opposite corner)
- ?? Take a right into the first driveway past Thornton Ave, to park in the lot behind the office at the corner of Thornton Ave and Concord Street
- ?? We are in a one-story, beige colored building (we share a lot and building with the Dentist next to us).

From **Orlando International Airport**:

- ?? Take the North Exit FL-436 N. (Semoran Blvd.), go about 5 miles or so
- ?? Be sure to be in right lane to get on Hwy 408 West.
 - o Another option (but longer) is to take 528 East to 417 North to 408 West
- ?? Take the 408 through the toll plaza (.75), then get in right lane to exit on Crystal Springs Road.
- ?? Go straight through the light, you are actually on South Street (Crystal Springs Road is the road that turns at the light)
- ?? Go straight (west) on South Street until you get to Bumby.
- ?? Turn right on Bumby (north).
- ?? Pass Robinson, Livingston, Amelia, get in the left lane, slow down, pass Mount Vernon
- ?? Turn left at the next block onto Concord
- ?? Go approx. 1 mile on Concord, past Fern Creek, across Mills.
- ?? Take a right into the first driveway past Thornton Ave, to park in the lot behind the office at the corner of Thornton Ave and Concord Street
- ?? We are in a one-story, beige colored building (we share a lot and building with the Dentist next to us).
